Nate and Hari:

Here is the updated report with admissions numbers. I will update the marketing numbers after Brooke sends me the report from VML.

Nate:

I asked the program directors to report to me by noon today. I do not yet have reports from ACCT or MKTG. I also do not yet have the report from VML for the marketing metrics.

I am attaching the report that includes reports from MBA, HRM, and MIS. I will send a update as soon as I receive the reports from the other units.

Subject: Latest Flex Online Numbers

'Jon,

I don't believe I have seen the report with all the latest numbers for each Flex Online program. I might have missed it, but in case it hasn't gone out yet (I know you were out last week), could you please share with us the latest report? I am very interested in the enrollment numbers as of today.

We are obviously in the 11th hour of recruiting for these programs, and although we will hopefully add many new students and deposits in the next three weeks, it will be helpful to see where the programs stand today. It will also be interesting to see if any of the changes Brooke asked VML to make ended up improving the yield on our paid search or paid social ads.

Thanks for your help!

Nate
